We Say Thank You

For the sun that shines
For the birds that sing
We say thank you, God
You made everything.

We Thank You

O God, our God,
How wonderful you are.

We look at the sky
Where the stars are laid
And the moon so bright
Which your hands have made.
We thank you!

There are mothers and fathers
And little kids, too.
You care for us all
And have made us like you.
We thank you!

You gave us this world
To handle with care,
With the fish of the sea
And the birds of the air.
We thank you!

There are horses and cows
They neigh and they moo.
We think they are joining
Our thank you to you!
We thank you!

O Lord, You Look at Me and You Know Me

(Based on Psalm 139)

O Lord, you look at me and you know me.
You know when I sit down and when I stand up.
You understand my thoughts from far away.
All of my ways are known to you.

Response: *O Lord, you look at me and you know me.*

Even before I speak,
You know what I will say.
You are all around me,
And you lay your hand upon me.

Response: *O Lord, you look at me and you know me.*

Lord, it was you who formed me.
You knit me together in my mother's womb.
I praise you, for I am wonderfully made.
Wonderful are all of your works.

Response: *O Lord, you look at me and you know me.*
